D26 2

Greece

Inner Wheel 247 District Conference held in Volos, Greece was a great success with the participation of all 15 Clubs. The event, dedicated to the Women's Day, was declared open by the District Chairman Eleni Panagiotou. The keynote speaker, the psychologist Artemis Zavaligou, on "Self-Sympathy: How we can become a good friend of ourselves". A book titled "22 Autumns", by the President of club of Kavala, Efi Louiza was presented too. The first day of the event closed with Doctor Ioulia Mandelou, member of the Governing Committee of the Hellenic Society of Protection and Rehabilitation of Handicapped People (HELEPAP), who presented the aim of the organisation to find donors for children with motor disabilities and neuro-developmental deficits and the effort to provide evolving methods of education and rehabilitation to maximize the children's potential. The Vice President of the 88th District Germany Sofia Koutsopapa presented the project "International Contact Pool" on the second day.

INDIA

Inner Wheel Clubs in India celebrated International Women's day in different way, whether honouring women achievers, or those who have broken the barriers to move ahead and those who are our help every day. . In an attempt to give better opportunities young women were provided training, educational assistance, legal information and health related information. Walks,Cyclothon, Car rally, all were used to create awareness and show what Inner Wheel can do. One photo from every District is just a small representation of the huge amount of activities done.
